

This is a self-contained, portable hot water handwashing sink. NSF certified and designed to comply with state and local handwashing codes by placing handwashing at the point of contact. Each portable sink dispenses instant hot water, includes swivel casters, quick connect water tanks and is out of the box ready. These Portable hand sinks are recognized and awarded for their durability, quality, safety, and cost effectiveness. Each sink features a stainless steel countertop, and a deep single stainless steel basin. Cabinet colors include your choice of cherry or maple cabinet finish.
